

# Increase order velocity with

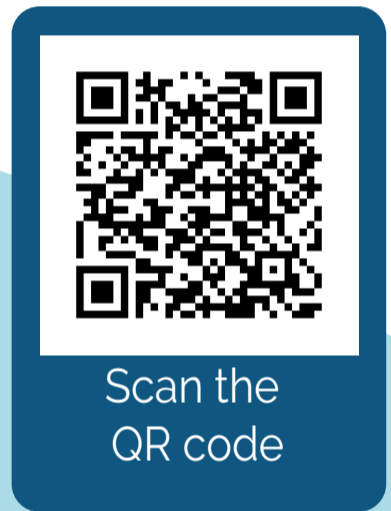

Take advantage of a grant through the digital adoption program & deploy mobile ordering today!

More orders,  
more ways

Use technology to meet your customers where they want to order.

*Check it  
out!*

Deploy online ordering and claim your \$2,400 grant today!

## How to:

in three easy steps

-  **1 Research Eligibility:** Ensure your business meets the criteria for the grant.
-  **2 Application Process:** After implementing your digital solution, you can apply to have \$2,400 of your costs reimbursed.
-  **3 Grant Approval:** Upon approval, the grant will provide financial assistance to help reimburse the costs associated with adopting the chosen digital solution.

Embrace digital adoption in your business today and stay competitive in the restaurant industry.
