

## Remove friction & increase orders.

Elevate your restaurant experience with digital ordering: where convenience meets culinary excellence.

In modern dining, where efficiency, convenience, and customer satisfaction reign supreme, App8 offers a suite of solutions tailored specifically for restaurants.

Diners crave not just delicious meals but also seamless experiences. As a result demand for intuitive and efficient restaurant solutions has never been greater. The App8 all-in-one platform is designed to cater to the restaurant ordering experience. This is a game changer for restaurants who are facing increased pressure on staffing shortages, increased costs and fewer customers. With App8 as their trusted ally, restaurants can navigate the complexities of the industry and unlock new avenues for growth.

Read the case study about how Grounded Kitchen reduced their staffing needs by 33%

## Your brand. Our tech.

Enable guests to order instantly or ahead, manage your menu and gain insights with our integrated platform. Enhance guest engagement with personalized promotions and loyalty rewards. Our fully bilingual service offers 24/7 support in English and French, ensuring a seamless experience for both your business and your customers. Simplify dining, elevate experiences.

## Simple licensing to cover all areas of your restaurant.

The central smartphone displays the Rally Sports Bar & Grill app interface. The screen shows the logo, a 'Patio Menu' section with 'Specialty Drinks', 'Draft Beer', and 'Shareables'. A featured drink, 'Aperol Spritz', is highlighted with a description and price (\$9.25). At the bottom, there is a sign-up form for the app team with an email field and a 'FIND' button.

Surrounding the phone are six red buttons with white icons and text:

- TABLE SERVICE**: Icon of a hand holding a plate.
- COUNTER SERVICE**: Icon of a person at a counter.
- ONLINE ORDERING**: Icon of a hand holding a smartphone.
- CATERING**: Icon of two plates of food.
- EVENTS & PROMOTIONS**: Icon of a calendar and a megaphone.
- MARKETPLACE**: Icon of a location pin and shopping bags.

## Predictable, fixed monthly rates with no commission fees.
